

Save the date ! Do not forget your rendez-vous in 2022 with the dairy industry

The 17th edition of the Cheese and Dairy Products Show will be held **from Sunday 27th February to Wednesday 2nd March 2022** at the Paris Porte de Versailles exhibition centre.

Since it was first held in 1981, this international leading event wants to showcase the producers' know-how and to champion high-quality cheeses and dairy products.

In 2022, it will bring together **more than 300 exhibitors** (producers, manufacturers of equipment for trade, services...) **and 9,000 buyers from all over the world.**

A touch of Dolce Vita during 4 days

For the 3rd time, the Cheese and Dairy Products Show will focus on a foreign country. After Great Britain and Spain, Italy will be in the spotlight in the Pavilion 7.3 in Paris.

Italy's gastronomic reputation is well established throughout the world and so is its cheese and dairy products industry. Thanks to a diversified and quality offer -reflecting its renowned terroirs from north to south-, Italy presents 50 PDO, 50 PDO cheeses, 2 PGI and 2 ricottas.

“French consumers are also fans of high-quality Italian cheeses, as confirmed by a survey conducted in 2019 among cheesemongers: Parmesan, Gorgonzola, Mozzarella are the most sold foreign cheeses in their shops.

A quality offer, a growing demand... it seems obvious for the Cheese and Dairy Products Show, the international event for high-quality cheeses, to get closer to our neighbouring country and put Italy in the spotlight for the next session” says Céline Glineur, Exhibition Manager.
